Hildersham Parish Registers 1541-1911 (Marriages)
Hildersham, Cambs,

Christenings 1559 – 1938

Marriages 1561 – 1937

Burials 1560 – 1938

Banns 1808 - 1812

The Revd. P. R. Phillips, Rector of Hildersham for many years, was collecting material for a history of the parish. This included the ownership of the Advowson and a list of rectors as well as a copy of the registers from 1559 to 1938. We are indebted to his daughter Miss Sylvia Phillips for the loan of these papers for copying.

He reported that the register had been kept except that three pages had been torn out of a marriage register. Later additions have been made to several entries, and these also have been copied. The copy of the index has been collated with the Bishop's Transcripts and indexed by T.P.R. Layng. The whole has been typed by C.L. and A. Hatton. 1971.
